

The figure consists of three vertically stacked panels sharing a common x-axis labeled 'TP' ranging from -3 to 3. The top panel's y-axis is 'Tracking Particles' on a logarithmic scale from 10¹ to 10³. It shows magenta data points with error bars and a solid magenta line. The middle panel's y-axis is 'Ratio' on a logarithmic scale from 0.5 to 2. It shows green data points with error bars and a solid green line. The bottom panel's y-axis is 'Ratio' on a linear scale from 0 to 1. It shows red data points with error bars and a solid red line.
