

Efficiency vs p_T

Legend for the plots above and below:

- Blue line with dots: BGM original
- Red line with dots: BGM pixel
- Green line with dots: BGM template
- Orange line with dots: BGM cut
- Yellow line with dots: BGM chi-square
- Black line with dots: BGM 30
- Blue line with dots: BGM original step2
- Red line with dots: BGM pixel step2
- Green line with dots: BGM template step2
- Orange line with dots: BGM cut step2
- Yellow line with dots: BGM chi-square step2
- Black line with dots: BGM 30 step2
- Blue line with dots: BGM original eta1n6to2p0
- Red line with dots: BGM pixel eta1n6to2p0
- Green line with dots: BGM template eta1n6to2p0
- Orange line with dots: BGM cut eta1n6to2p0
- Yellow line with dots: BGM chi-square eta1n6to2p0
