

Efficiency vs vertpos

Legend for the plots:

- Blue line with dots: DQM original step2
- Red line with dots: DQM pixel template cut chi square 10 step2
- Green line with dots: DQM pixel template cut chi square 20 step2
- Orange line with dots: DQM pixel template cut chi square 30 step2
- Black line with dots: DQM original step2
- Black line with dots: DQM pixel template cut chi square 10 step2
- Black line with dots: DQM pixel template cut chi square 20 step2
- Black line with dots: DQM pixel template cut chi square 30 step2

Efficiency vs. sim PV z
