		DOM_V0001	R0000000001	Global	mkFit1000MTTime	RECO

The figure consists of two vertically stacked plots sharing a common x-axis labeled 'TP n' ranging from -3 to 3. The top plot shows 'Reconstructed TPS' on a logarithmic y-axis from 10^2 to 10^3 . It displays a series of purple dots with vertical error bars, showing a relatively stable distribution around 5×10^2 . The bottom plot shows the 'Ratio' on a linear y-axis from 0.95 to 1.05. It displays a series of purple dots with vertical error bars, mostly clustered around a horizontal red line at Ratio = 1.0, with some outliers below 0.95 and above 1.05.
