

Fake rate vs vertpos

Duplicates Rate vs vertpos

Pileup rate vs vertpos

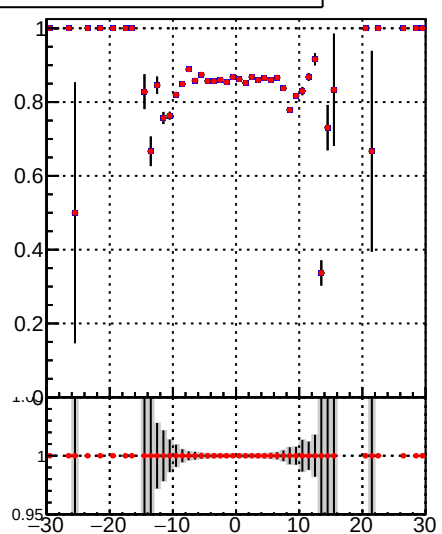

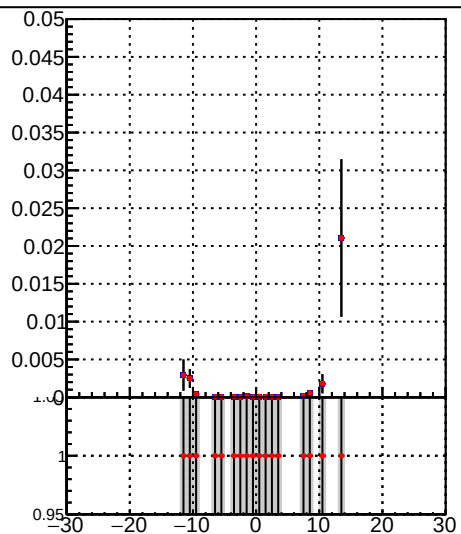

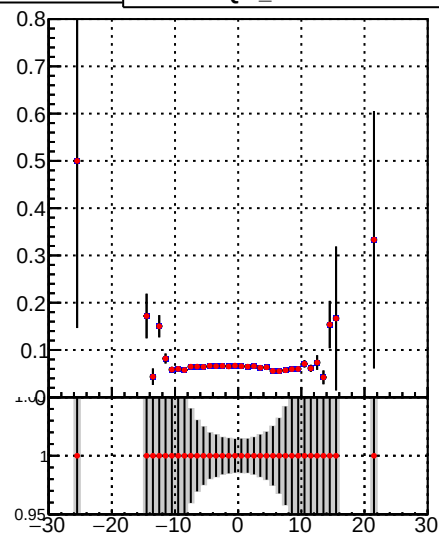

Fake rate vs vertpos

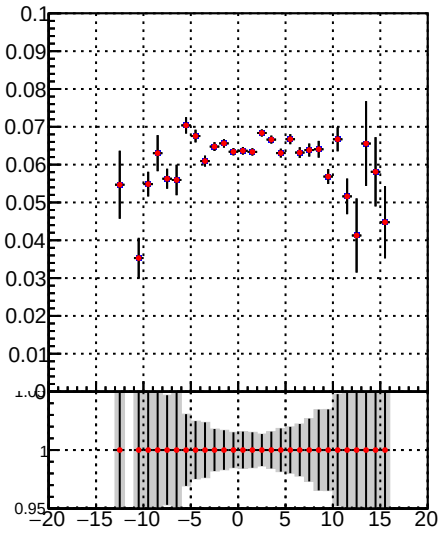

— /data2/legianni/JSON-bkwd-fwd/no-modif/CMSSW_13_0_X_2023-01-24-1100/src/DQM_original

— DQM_modified

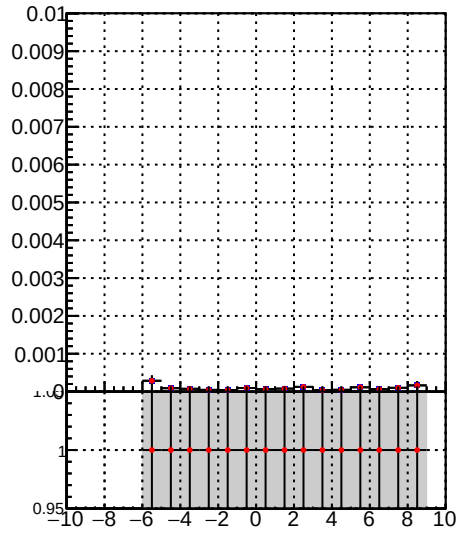

This block contains a legend and a comparison plot. The legend indicates that the blue line with dots represents the original DQM data and the red line with dots represents the modified DQM data. The comparison plot shows the Fake rate vs vertpos for both datasets, with the modified DQM showing a slightly higher fake rate than the original DQM.
